

DUCS FOR A CURE

On Feb. 7th 2008, Cheryl Gorham (Wife of Eddy Gonzales) was diagnosed with breast cancer. Visit cherylgorham.blogspot.com for more information and news on her battle. Since then everyone has asked "what can we do" well now here is your chance! We are excited to be giving to this cause and hope you will be too.

The AFM 4 hour endurance race will be held at Infineon raceway on Sept. 27th at approximately 11am. Please come see us, stop by and make a donation in person and get a ribbon sticker. We will be accepting donations all weekend, and we will be at the track Friday - Sunday. Hope to see some of you there!
